VC 6 L MC

Compact vacuum cleaner with manual filter cleaning, 6 l, class L

Order no. 481513

GTIN 4030293215641

- Very compact, handy and light vacuum cleaner with carrying strap for mobile use. The compact design means it fits in all vehicles
- The high-performance turbine ensures both a high suction capacity and a high vacuum. The outcome is an excellent extraction result
- By actuating manual filter cleaning, dust deposited in the filter element is removed by a targeted blast of air
- Flat-fold filter for optimised cleaning and improved container filling
- Accessories can be stowed due to integrated brackets on the suction head
- With 32 mm diameter compact hose with a length of 0.5 m can be extended to 2.5 m. Very handy, for easy transport of the vacuum cleaner
- Including easy-to-fit running gear
- Powerful vacuum cleaner for professional use in final assembly, automotive cleaning etc. FLEX power tools can be connected with ease using the FLEX clip system for extraction work
- Optimised for cleaning work in offices, storage rooms, workshops and vehicles
