Heavy Weight Double Dipped Fully Coated Nitrile, Machine Knitted Cut Level A Winter Glove.

Key Features:

- A reliable winter glove ideal for general-purpose use in cold environments such as outdoor handling, maintenance, or warehouse work.
- Features an outer shell and an insulating inner liner that work together to keep hands warm and comfortable in cold conditions.
- Soft, thick brushed acrylic terry lining traps heat, offering thermal comfort.
- The smooth nitrile base layer acts as a barrier to prevent liquid penetration, keeping hands dry during wet or damp handling tasks.
- A textured foam nitrile palm provides a secure grip in both wet and dry working conditions.
- Dual nitrile layers increase durability, offering great wear and tear.
- A stretch-fit knitted wrist helps prevent cold air, debris, and dust from entering the glove.
- The glove maintains good flexibility and dexterity.
- Red colour coding aligns with Traffi's safety system, clearly identifying the glove as Cut Level A for general tasks with low cut risk.

Ideal for:

- Cold Storage
- Construction
- Utility Services
- Waste Management
- Warehouse and Logistics
