UltiMaker Method XL ABS CF

Product data sheet

ABS Carbon Fiber for Method series

High Performance Properties and RapidRinse Compatible
Combine the performance of carbon fiber with the reliability of ABS using the new ABS-CF on the Method X and Method XL.

The UltiMaker platform

3D printers that simply work
Our award-winning 3D printers are robust, reliable, and easy to use. They deliver quality parts time and again. Designed and tested to run 24/7, they allow you to achieve the results you need more quickly and easily.

CloudPrint
Secure and easy to use, CloudPrint is the slicing and printer management software that will get you from CAD file to printed part in no time using a seamless workflow. Free when used with any Method series printer.

Engineering grade materials
Print manufacturing tools and production parts to spec with real manufacturing-grade materials.

Success-oriented support
Wherever you are in the world, UltiMaker support is close by. Our global network of service partners offer professional installation, training, and maintenance in your language and time zone.

UltiMaker Method Wash Tank specifications

Filament diameter	1.75 mm
Colours	Black
Printer compatability	Method X, Method X CF, and Method XL
Extruder	1C
Spool weight	0.5KG, 1.1LB
Impact strength	42 J/m
Heat deflection	102°C
Tensile Strength	59 MPa
