BLANKING PLATES

19” Rack Mountable Blacking & Brush Plates

Our blanking plates are designed to help you tidy up the front of your server rack. They are made out of solid metal and have a high quality black textured finish. The brush type panel will allow cables to be passed through.

Plate Specification

- 19” 1U or 2U
- 1.6mm Thick solid metal
- UT-899BP01 & UT-899BP02 Supplied with 4 mounting screws
