SHEET RACK H900 x W600 x D600MM - BLACK

Part no. SR/0.6/BLK

ENGLISH

Sheet racks simplify the storage and access problems of all sheet material, panels and boards.

Minimum base frame height makes loading very easy.

It is recommended that the racks are secured to the floor (fixings not included).

Racks are powder coated in black.

Three storage divisions spaced nominally 155mm apart.

Supplied in knock down form. Assembly instructions supplied.
