Surface Temperature Sensor TF44

Modelcode type: TF44

Item number: 48789647

Surface Temperature Sensor TF44	
Sensor design	
Measuring element	
Connecting lead	
Connecting lead	Individually and common silicon insulated;
Lead length [W]	1.000 mm
Electrical connection	
Mounting accessories	
Operating conditions	
Measuring range	-50...+200°C (-58...+392°F)
Protection [IP]	IP66/IP67 Transition of sensor sleeve to connecting cable
