1/2" SOCKETS MODULE - SLS | MODM.SL1SLS

Description

• Tool fitted with a FACOM SLS attachment solution, preventing any risk of accidental falls.
• The shackle solution was chosen by FACOM for particularly heavy and/or large tools.
• Only the ratchet is fitted with a shackle.
• The ratchet and locking extensions allow securing the sockets against falling during work in high places.
• Compatible with the FACOM modular storage system:
- Adapted to CHRONO XL, CHRONO+, JET XL and JET+ roller cabinets.
• Comprising:
• 1 x high performance 1/2" sealed locking ratchet: SL.171SLS.
- 18 x 1/2" 6-point metric-size sockets: S.H 8 - 10 - 11 - 12 - 13 - 14 - 15 - 16 - 17 - 18 - 19 - 21 - 22 - 23 - 24 - 27 - 30 - 32 mm.
- 2 1/2" locking extensions: L 130 mm (S.210RC) - L 250 mm (S.215RC).
- 3/4 of 1/3 drawer foam tray PM.MODSL1SLS.
