S.230TW

1/2” To 3/8” Coupler - 3 way

3662424114656

Product Descpription :

This adaptor is designed to connect tools or components with different connection sizes. Allows transitioning from a 1/2-inch connection to a 3/8-inch connection .Made from chrome vanadium with a satin finish that combines a modern, professional look with practical benefits such as improved grip due to its matte texture, corrosion resistance, and easy maintenance by concealing wear and scratches.

Product Features and Benefits :

- ISO 3316 - DIN 3123 - ISO 1174-1
- Chrome vanadium steel for improved longevity and robustness
- Satin finish protects against corrosion and wear, which extends the life of the tools
- For manual use

Product Warranty :

FACOM - Lifetime Replacement Guarantee

Product standards and norms :

- ISO 3316
- ISO 691
