AB622 - Cut C13 PU Essential Multipack (Pk12)

Collection: Cut Resistant
Range: Hand Protection
Materials: HPPE, Elastic, Glass Fibre, Polyester
Dipping:
Outer Carton: 12

Product information

Our level C cut-resistant glove is perfect for protection against cuts and sharp objects. The seamless liner ensures added comfort and dexterity, while the EN407 contact heat level 1 provides short-term protection against temperatures up to 100°C. This glove is a streamlined version of our flagship A622 glove, with reduced packaging and single-colour branding, providing a more economical choice. Sold in packs of 12 for maximum value.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
