GENERAL SERVICE TOOL SET 219 PIECES

- The set includes 3/8" and 1/2" torque wrenches with click type mechanism, built in angular gauge, additional ft/lb reference scale covering 20 to 210 Nm, providing accuracy and reliability in torque-sensitive tasks.
- The hand rivet and nutsert guns are crafted from aluminium alloy, offering durable performance for riveting and nut-setting operations.
- The 1/4" mini palm ratchet with 45 teeth delivers efficient fastening, ideal for confined spaces.
- The tap and die chucks range from M3 to M12, allowing for precise threading operations.
- The tools are organised in a high-density EVA foam inlay module size 4X4 (FOAM4X4), promoting workplace organization and quick tool identification.

The TengTools 219-piece general service tool set is engineered for professionals requiring a comprehensive collection of hand tools and accessories for various applications. The set features torque wrenches, hand rivet and nutsert guns, mini palm ratchets, extension bars, die and tap chucks, drill bits, and screw extractors. These tools cover a broad spectrum of tasks, from threading and riveting to torque adjustments, ensuring that users in automotive, manufacturing, and maintenance sectors have the necessary resources for their jobs. The tools are organised in high-density EVA foam modules designed to fit 26” TengTools drawers for easy storage and retrieval.
