RS Stock No.: 911-1477

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this twelve-piece socket set is insulated for professional applications. The set comes complete with a 1/2 inch square socket driver and a selection of socket heads. It employs a reversible ratchet action for a smooth and low effort tightening or loosening of the fastener, and also an extension bar for added leverage when necessary.
