Order Number	Description	Applicable Cameras
2200000314	Tripod mount for attaching an ace 2 camera to a tripod.	ace 2 GigE, ace 2 USB

Table 1: Tripod Mount Type

Key Features

- 1 × 1/4-20 UNC - 2B threaded hole for attaching the tripod mount adapter to a tripod with a matching top attachment screw.
- 4 × Ø6 through holes for attaching an ace 2 camera to the tripod mount adapter. The holes correspond to the different hole patterns for ace 2 GigE and ace 2 USB cameras. Attaching a camera involves three screws.
- 3 × cap head hexagon socket screws. These included screws are required for attaching an ace 2 camera to the tripod mount adapter.

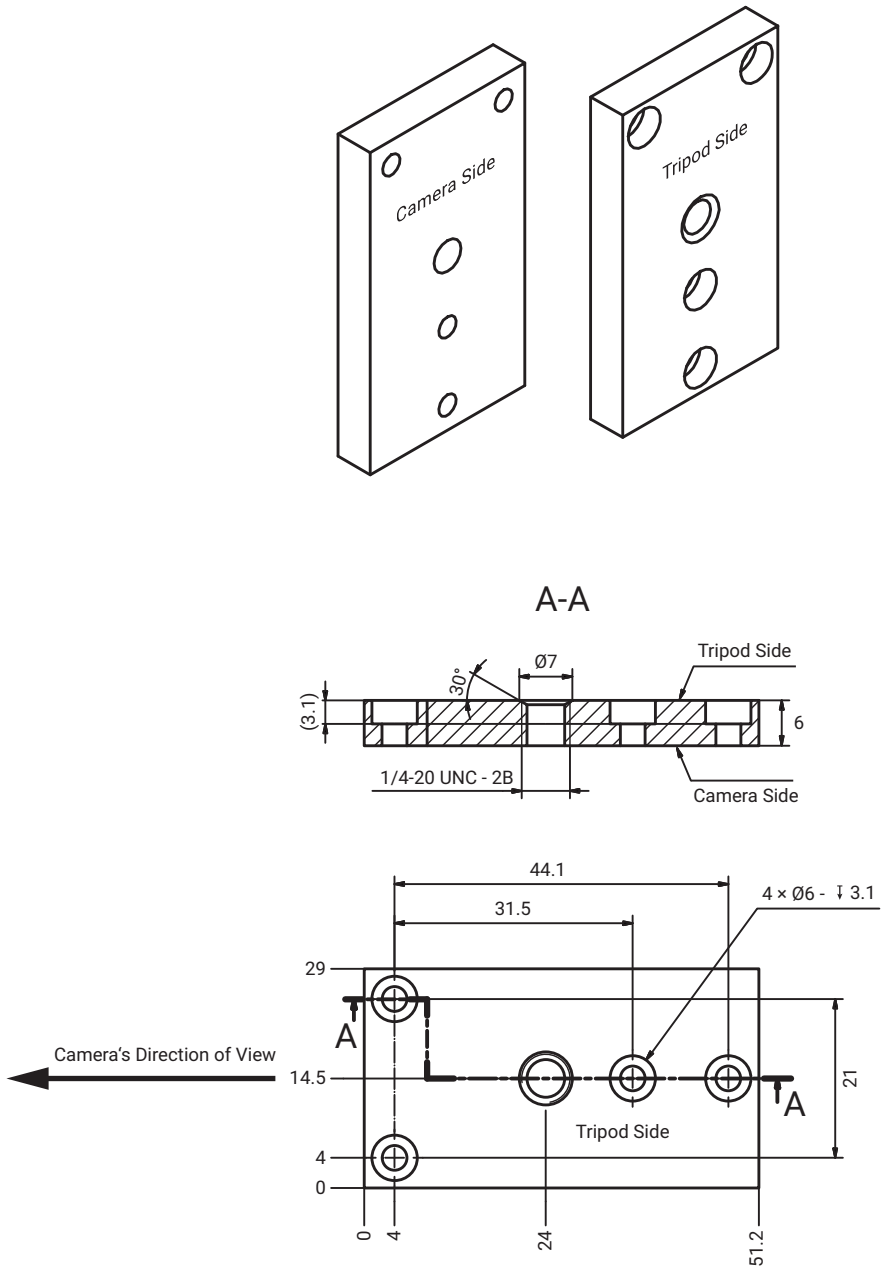

Fig. 1: Tripod Mount Dimensions (in mm); Not to Scale

General Information

RoHS compliance	Yes
CE conformity	No
Warranty	1 year

Table 2: General Information

For more information about compliance with regulations, see the Compliance section of the Basler website.

For more information about the cameras' mounting holes and hole patterns, refer to the *Basler Product Documentation* (AW001406). It provides comprehensive information about installing and using the cameras. Be sure to read the precautions and mounting instructions.

You can download the *Basler Product Documentation* and related documents for your camera free of charge from the Basler website: www.baslerweb.com
