PROTIMETER – BLD5060 HEAVY DUTY MOISTURE PROBE

Website Title

Protimeter BLD5060 Heavy Duty Pin plug in moisture probe, 880mm cable length, offering greater accessibility into hard to reach spaces.

PRODUCT DETAILS

The Heavy Duty Probe Lead is the ideal accessory for those users that use their Protimeter extensively in a wide variety of environments. The general construction and pins of this accessory are much more durable than the standard probe lead.

This add on can be used with all current Protimeter pin-type moisture meters.

SPECIFICATION

Cable Length – 880 mm

Compatible: Protimeter Mini, Digital Mini, SurveyMaster 2 and MMS2
