DisplayPort to DVI Video Adapter Converter

Product ID: DP2DVI

This DisplayPort to DVI adapter lets you connect your DP computer to a DVI monitor or projector. The adapter works with DisplayPort computers like your HP Elitebook Revolve 810 G3.

Easily connect your DisplayPort computer to a DVI display

The DP to DVI adapter lets you connect your DisplayPort laptop or desktop computer to a DVI display. The adapter supports plug-and-play connectivity ensuring a hassle-free setup.

Works with legacy DVI monitors

The DisplayPort adapter makes your DP computer fully compatible with existing DVI monitors or projectors in your home or around your office. The DVI connector features nuts that mate with the screws on standard DVI cables, to ensure your video cable won't get disconnected.

Designed for maximum portability

The DisplayPort to DVI converter maximizes portability with a compact, lightweight design, making it the perfect travel accessory to carry with your DisplayPort Ultrabook, fitting easily into your laptop bag or carrying case. This ultra-portable design makes this adapter perfect for BYOD (Bring Your Own Device) applications at the office.

Crystal-clear picture quality

With support for video resolutions up to 1920x1200 or 1080p, you'll be surprised at the picture quality the adapter provides, even when connected to a legacy DVI monitor or projector. The adapter harnesses the video capabilities built into your DP connection to deliver every detail in stunning high-definition.

The DP2DVI is backed by a 2-year StarTech.com warranty and free lifetime technical support.

Certifications, Reports and Compatibility

RoHS Compliant Available

Applications

- Keep the adapter with you while you're traveling, to connect to DVI displays at trade shows
- Connect your BOYD laptop to a DVI office hot desks or boardroom projector
- Use your DVI monitor as a secondary display

Features

- Hassle-free connectivity with plug-and-play DP to DVI video adapter
- Maximum portability with a small footprint and lightweight design
- Crystal clear picture quality with support for high-definition video resolutions up to 1920x1200 or 1080p
