

QuickIN depth stop including stop sleeve (17 mm diameter)

Depth stop for zero-compromise screw connections. Countersink every screw to exactly the same depth. Maximum adjustment distance of 12 mm with 0.25 mm per ratchet for accurate use. You won't find the additional stop sleeves for screws with sealing discs with a diameter of up to 28 mm anywhere else in the world. Compatible with all FEIN cordless drill/drivers with QuickIN interface.

Product number: 6 42 03 025 01 0
