CK01

Wall mounted combining kit

CONNECT AND PROTECT

Item no. CK01

Description: Wall mounting combining kit is to be used for baying two or more wall mounted enclosures together, side by side. This enables customers to create many more enclosure configurations than previously available.

Material: EPDM rubber 10 mm thick.

Pack quantity: Combining kit provided in a puzzle format, along with mounting accessories.

Easy to apply gasket for sealing bayed wall mounted enclosures with machined openings, allowing for numerous configurations.
