ADA04030

Transparent door, 400x300

Components mounted on the enclosure door are protected by the viewing window, but can be easily operated by opening only the viewing window, while the enclosure door can remain closed. The components are protected from the environment and from undesired operations when the viewing window is closed.

CHARACTERISTICS	
Height	400 mm
Width	300 mm
Viewing Area Height	326 mm
Viewing Area Width	226 mm
No Locks	1

Item no.: ADA04030
EAN no.: 8713574076617

Technical data

Description: Viewing window when used in combination with mounting kit ADAMK. The double-bit 3 mm lock can be replaced by any optional insert or handle. It increases the enclosure depth by 10 mm.

Material: Aluminium and 3 mm acrylic glass.

Finish: Anodised aluminium.

Protection: Complies with IP 54.

Pack quantity: 1 viewing window.

Features

Feature: Aluminium viewing window to be mounted on the enclosure's door.

Advantage: Provides a view of components, displays and indications behind the viewing window when the enclosure's door is closed.

Benefit: The user can see the components installed behind the viewing window that are protected against the environment and undesired operations.

Comment: The mounting kit ADAMK is required for ADA transparent door unless the viewing door replaces the door of a mild or stainless steel wall mounted enclosure.
