MSVS1083

Plinth, 100x800x300

The plinth allows for cabling without any restrictions. Installing cables is made easy as the plinth creates extra space underneath the enclosure.

Feature:
MSVS, Stainless steel plinth

CHARACTERISTICS	
Width	800 mm
Depth	300 mm

Item no.: MSVS1083
EAN no.: 8713574034068

Technical data

Description: Four U-section side pieces fixed by screws to the corner sections. Plinth height 100 mm. Machining is required.

Material: 2 mm AISI 304 / AISI 316L pre-grained stainless steel.

Finish: 400 pre-grained stainless steel.

Pack quantity: 1 plinth with mounting material.

Features

Feature: Stainless steel plinth with front, rear and side removable panels for stainless steel wall mounted enclosures.

Advantage: The plinth is mounted underneath the enclosure to provide extra space between the installation floor and the bottom of the enclosure, this space is accessible by removing the front, rear or side panels.

Benefit: Installing cables into the console can be done easily as the plinth creates extra space below the console. The plinth allows consoles to be fixed to the floor without the need for interior access.
