BITS DRIVER STUBBY RATCHET SET

Item ID: MDR908S

- Stubby ratcheting 1/4" hexagon bits driver set
- Ideal for use in confined spaces
- Forward, reverse and fixed settings on the rachet mechanism
- 20 teeth ratchet mechanism for 18° increments between each click
- Includes 6 of the most commonly used bits plus a 1/4" drive socket adaptor
- Bit storage inside the handle to avoid losing bits
- Magnetic bit holder that holds the bit in place
- Overall length 100mm
- Simple to change between different bits
- Ergonomically designed bi-material handle for easy use with higher torque and faster speed
- Hole in the handle for hanging or for use as a T handle for extra torque or with a fall protection wire if needed

Length (mm): 40
Width (mm): 90
Height (mm): 185
Weight (g): 130
