## RS2WHBK

White guiding post - 2m black strap

Strap post for guiding the public and regulating traffic. The post has a weighted base and a 2m long, 5cm wide strap. The strap itself has a braking and anti-panic system that allows it to automatically detach in case of emergency. The head of the post can accommodate up to 6 different straps and has a threaded hole for attaching an information panel. For indoor use only. A wide range of options is available: information panel, wall receiver, and strap customization.
