① When mounting in the wall, the protective coverings must be in place over the openings.
① Al empotrar utilizar el cartón y los tapones para cerrar las perforaciones.
① Pour sceller le boitier dans le mur, utiliser du carton et les bouchons pour fermer les ouvertures.
① Beim Einputzen Karton und die Stopfen zum Verschließen der Öffnungen verwenden.
① Per fissare la cassetta al muro utilizzare le apposite coperture per i fori.
① При заштукатуривании для закрытия отверстий использовать картон и пробки.
① 清洗纸板和开口旋塞时使用

Thickness of plaster less than 8 mm
Espesor de montaje empotrado inferior a 8 mm
Epaisseur du crépi moins que 8 mm
Putzdicke unter 8 mm
Spessore di intonaco inferiore a 8 mm
Толщина штукатурки меньше 8 мм
清洁厚度小于8 mm

Thickness of plaster more than 8 mm
Espesor de montaje empotrado superior a 8 mm
Epaisseur du crépi plus que 8 mm
Putzdicke über 8 mm
Spessore di intonaco superiore a 8 mm
Толщина штукатурки больше 8 мм
清洁厚度大于8 mm
