EASYLINE®

High performance line marking system

Performance you can trust

LINE MARKING... MADE EASY

EASYLINE® EDGE

Patented airflow system for marking sharp, long-lasting lines

- You're in control – instant line marking for small to medium areas addresses needs quickly
- Reduces downtime – dries in 10 mins and traffic ready in 30 mins*
- Reduces costs – no need to employ contractors
- Quick to assemble and simple to use – no experience or tools needed
- Use it for marking car parks, warehouses and stores, factory floors and other hard flat surfaces

Wide range of colours available

Competitor Easyline

WHY CHOOSE EASYLINE?

With a superior paint formulation combined with the precision engineered EASYLINE Edge applicator, the Edge System produces sharp, bright and durable lines.

SUPERIOR PERFORMANCE

- Traffic grade epoxy paint produces highly durable lines
- Resistant to most general chemicals
- Unique dual-propellant system performs consistently in a wide range of temperatures
- Designed and supported by our technical team of chemists and engineers

VALUE FOR MONEY

- Typically 100% more paint content than other marking sprays – goes further with bolder lines
- High quality paint creates longer lasting lines
- Saves time with minimal mess and wastage

IT'S SAFE

- Efficient system avoids direct handling and exposure to paint and thinners
- Safe, non-toxic formula minimises risk of harm to user and the environment**
