# 5.70.800.203/0000

# C-LAB, labelling sheet, transparent

### fields of application

- Measurement-control-regulation
- Electrical engineering
- Mechanical and system engineering
- Signalling systems
- Vehicle construction
- Handheld terminals
- Model construction

## description

C-LAB offers the possibility to label the LUMOTAST 16 illuminated pushbuttons individually. A DIN A4 inscription sheet with pre-cut labels is offered for this purpose, which can be printed with standard office laser printers. The printing takes place on the side with the smooth surface. When selecting paper in the printer, foil should be selected if possible. After printing, the inlays can be separated from the sheet and inserted into the LUMOTAST 16 insert adapter with the aid of a locking surface. The insert adapter can then be inserted into the transparent cover along with the lettering insert.

Alternatively, RAFI also offers printing of the C-LAB lenses.

## technical data

**general**

| | |
|---|---|
| Color | transparent |
| illuminated | Yes |
| Packaging unit | 1 pcs. |
| net weight | 11.3 g |
| MOQ order | 1 pcs. |
| RoHS compliant | Yes |
| REACH compliant | Yes |

**mounting diameters**

| | |
|---|---|
| Outside dimension, length | 297 mm |
| Outside dimension, width | 210 mm |
| Outside dimension, height | 1 mm |
