PREMIUM WHITE TOWELLING WIPERS

1) IDENTIFICATION OF PRODUCT AND MANUFACTURER

Product:	Premium White Towelling Wipers – Metal Detected
Product Code:	WT8
Manufacturer:	Davis & Moore, Textile House, Trafford Park Road M17 1NJ, UK Tel: 0161 848 8008 E: sales@davisandmoore.co.uk

2) PRODUCT DESCRIPTION & COMPOSTION

This premium wiping cloth is made from white hotel grade towels. Its thick pile gives it extremely good absorbency.

3) PACKAGING

8kg vacuumed packed in a recyclable plastic bag which is durable and keeps the wipers perfectly dry.

4) HEALTH & SAFETY

Wiping cloths in themselves pose no danger. They are inherently strong and therefore effective on most surfaces, liquids or other substances, although care must be taken when used on machinery to avoid snagging. Although every effort has been made to remove all foreign bodies during the process, we still recommend you take precaution prior to use.

5) HAZARD IDENTIFICATION

None

6) METAL DETECTION

This product has been processed through an inline, food grade metal detection unit which rejects pieces of metal down to a minimum of 1mm, ferrous, non-ferrous, and 1.2mm, 316 stainless steel. Follow the link to see this process in action https://www.davisandmoore.co.uk/metal-detection/

7) ENVIRONMENT

Disposed of responsibly, on its own this product does not contain anything that would adversely affect the environment.

Environmentally friendly:

- Manufactured from recycled towels
- Washable & reusable

8) COUNTRY OF ORIGIN

UK
