V-Gard® PC Sheet Visors for General Purpose

Face Protection - Technical Data Sheet

All V-Gard visors easily fit to V-Gard Headgear brow guard and on V-Gard frames for all V-Gard helmets.

V-Gard PC sheet visors reliably protect against impact, splashes and UltraViolet radiation. The visor sides are contoured towards face for a closer fit and improved resistance to impact and splash hazards. They are the perfect solution for general and basic applications and can be worn in combination with helmet-mounted ear muffs. Two different thickness and length / coverage versions are available depending on your needs.

The thicker visor version offers also protection against molten metals and electric arc, EN166 “89” marked. A special visor version is available for V-Gard retractable or standard chin protectors.

For different visor versions, frames and chin protectors please see the separate datasheets.

P/N	Key Specifications								Masterpack: Selling Unit Qty
	LxW (mm)	Thickness (mm)	Weight (grams)	Tint	UV Filter	Use with Chinguard	EN 166 Approval	EAN Code 13	
10115836	203x432	1.0	90	Clear	2C-1,2	No	2C-1,2 1B	641817025833	10
10115837*	203x432*	1.0	90	Clear	2C-1,2	Yes*	2C-1,2 1B	641817026243	10
10115863	241x432	1.0	120	Clear	2C-1,2	No	2C-1,2 1B	641817026113	10
10115840	203x432	1.5	145	Clear	2C-1,2	No	2C-1,2 1B 389	641817025871	10

Material	All Visors listed above are made of Polycarbonate
UV Filter	2-1,2 EN 170 UV filter= UV transmittance max 10% (313-365nm); Light transmission > 74.4% C Enhanced colour recognition
EN166:2001 Marking details	1 Optical class 1 for permanent usage B Medium energy impact protection (B = 120 m/s) 3 Protection against droplets and splashes of liquids 8 Resistance to short circuit electric arc 9 Non adherence of molten metals and resistance to penetration of hot solids MSA V-Gard sheet visors are also approved to: ANSI Z87-1, CSA Z94-3, AS/NZS 1337
*** Visors for use with chin protector**	All visors marked * should be used with MSAs standard or retractable chinguard, see separate datasheet. Note : Specified visor length does not include the chinguard (approx 75 mm)
Chemical resistance	Please see MSA’s Chemical Application Quick Reference Guide.
Packaging	Specified part numbers correspond to one visor, which is individually packed in polybag with instruction and individual label with barcode EAN code 13. MSA sells in Masterpacks (WxLxH = 250x435x45 mm) of 10 visors. Masterpack label includes GS1-128 code

10118536, 10118540 - Sheet Visors

10118537 - Sheet Visors for chin protector

10115863 - Longer Sheet Visor
