Product Description

The Kimberly-Clark Professional™ ICON™ dispensing system delivers confidence by design. Featuring first-of-a-kind versatility, the ICON™ skin care dispenser effortlessly enhances the look of the washroom with an exclusive line of interchangeable faceplates to help reimagine the washroom and complement the other ICON™ rolled hand towel and toilet paper dispensers in the collection. Select one of our six faceplate design options. Controlled dispensing for ease of use. Designed to dispense efficiently to fully cover the hands while preventing excessive product. Touchless operation helps maintain the highest levels of hand-hygiene, with these dispensers delivering up to 60,000 uses on one set of batteries. Can be used with our Kleenex® or Scott® brand automatic skin care refills. Hygienically sealed soap and sanitiser cassettes with integrated pump offer a new hygienic cartridge every time with a new clean nozzle each time the cassette is changed, ensuring maximum hygiene and eliminating the risk of contamination through contact with the environment. Stand available for use as a sanitiser station outside the washroom. The skin care modules that fit this ICON™ dispenser are Scott® and Kleenex® Cassette SKUS: 6345, 6383, 6393, 6396. 1 x Automatic Soap and Sanitiser Dispenser and 1 x White Mosaic Design Faceplate

Product Features

- 1 White Chassis Dispenser and 1 White Mosaic Design Faceplate per Case
- Kimberly-Clark Professional™ ICON™ dispenser system offers six designer finishes that elevate your washroom environment to the same high standard as the rest of your facility
- Easy servicing with a choice of keyed or push button lock that can be positioned on either side of the dispenser
- Custom mounting bracket with built-in level for easy installation
- 60,000 dispenses on one set of batteries
