Recyclable through approved facility

Fully Recyclable Product

ENVIROWEAR

A clothing revolution is changing the way garments are made and how wearers interact with brands. Envirowear has been designed to be recycled – using only mono-fibre design principles, each fabric, trim and accessory is carefully selected to ensure recyclability.

Once garments reach the end of their useful lives, they are returned for recycling. The rPet generated from this unique recycling process can be made into yarn and used in all kinds of polyester clothing and accessories.

- 240gsm 100% polyester pique fabric
- Manufactured using 100% GRS Certified polyester yarns
- Durable hard wearing whilst remaining soft and comfortable
- Triple sewn seams for extra strength
- 7 Belt loop waistband
- 2 x cargo pockets
- Hex patterned heatseal Retro-Reflective tape for comfort and flexability.
- Tall and short leg option available

- Conforms to EN ISO 20471 Class 2 High Visibility
