ICY BOX
IB-HUB1720-U3

20-in-1 USB Hub

Key features

- 18x USB 3.2 Gen 1 Type-A port with up to 5 Gbit/s
- 2x USB Type-A charging port with up to 15 watts
- ON/OFF button
- USB-B host interface with up to 5 Gbit/s
- 80 cm USB-B to USB-A cable to host PC
- 120 cm AC power cord

Packing content
1x IB-HUB1720-U3, 1x USB 3.0 Type-B to Type-A cable, 1x Power adapter, 1x AC power cord, 1x Manual

A 20-in-1 USB hub designed to fulfill your connectivity and charging needs in any work environment. With its eighteen USB Type-A ports, this hub can handle multiple data-transferring devices simultaneously. The additional two charging ports are dedicated to providing fast charging options for users' convenience. The aluminium enclosure provides efficient heat dissipation and durability. It is perfect for both work environments and home settings where multi-connectivity is desired.

Technical data

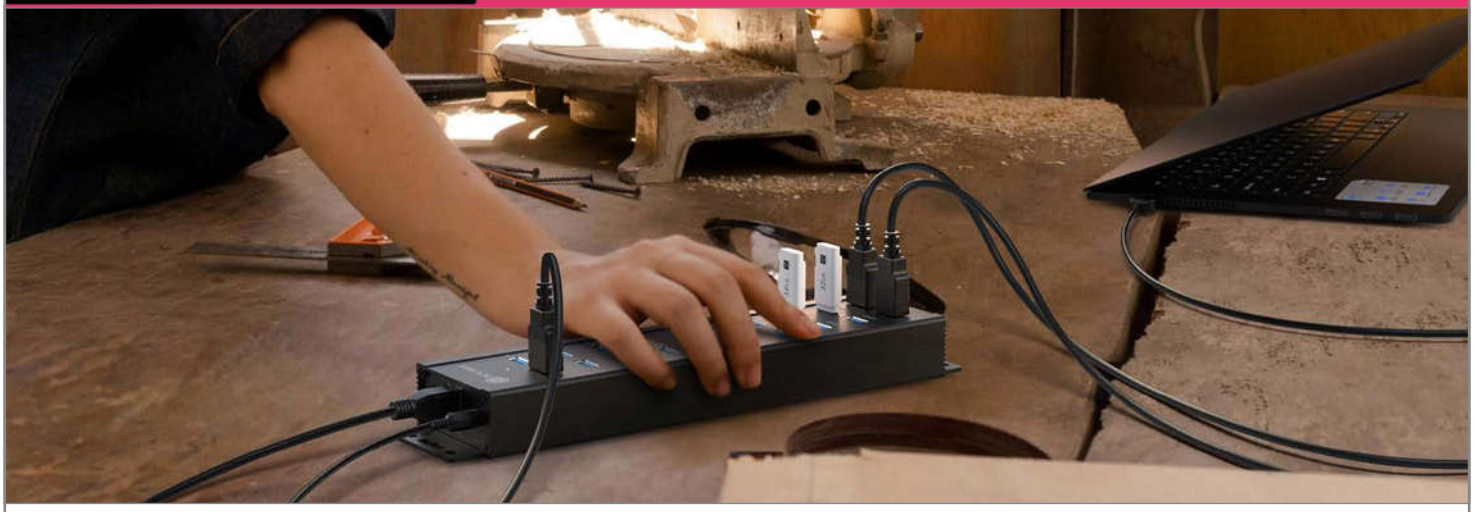

Model	IB-HUB1720-U3
Article no.	61076
EAN code	4250078174080
Colour	Black
Material	Aluminium
Interface to host computer	USB Type-B
Interface	18x USB 3.2 Gen 1 Type-A 2x USB Type-A charging port 15 watts
Plug & Play	Yes
ON/OFF button	Yes
LED	Power and access
Chipset	6x RM1211
System requirements	USB Type-A compatible computer

ICY BOX **IB-HUB1720-U3**
20-in-1 USB Hub

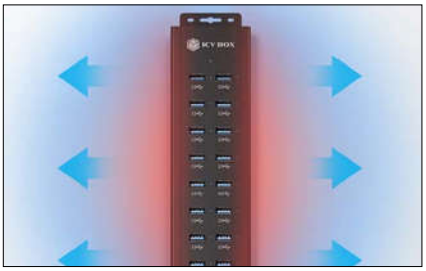

Multi-data transfer

The IB-HUB1720-U3 specialises in handling multiple data transfers with its eighteen USB Type-A ports. Each port supports high-speed data transfer, allowing you to connect and manage several devices simultaneously. Whether you are transferring large files or backing up data, this hub provides fast and reliable operation.

Charging capability

With two dedicated USB Type-A charging ports, the IB-HUB1720-U3 offers fast charging capability for your devices. Ideal for smartphones, tablets, or other USB-powered gadgets, this hub provides a reliable and speedy solution. The charging function, combined with data transfer capability, makes the IB-HUB1720-U3 suitable for a variety of situations.

Aluminium design

The aluminium enclosure of the IB-HUB1720-U3 offers both durability and aesthetics. The design not only provides a modern and professional look but also serves as an excellent heat dissipation solution. Along with the durability it provides, this combination allows for extensive use and can withstand daily wear and tear.

Logistical data
