Think ahead.

Tork Antimicrobial Foam Soap (Biocide)

Article	520800
System	S4 - Foam Soap System
Colour	Transparent
Appearance	White Foam
Scent	Alchohol Smell
Volume	1000 ml
Unique formula identifier	YGGQ-3P24-3013-VK93

Wash hands thoroughly with EN 1499 certified Tork Antimicrobial Foam Soap. Its low-alcohol formula is highly effective against bacteria, virus and yeasts. It combines normal hand wash and sanitising into one washing procedure. It's also perfume- and colour-free which reduces allergic reactions. Suitable for Tork Foam soap dispensers, which are proven Easy to use and provide good hand hygiene to all users.

Key benefits:

- Effective against a variety of problem organisms - conforms with EN 1499
- Hygienic: Sealed refill with single use pump reduces risk of cross contamination
- Certified effortless maintenance and intuitive refilling in less than 10 seconds
- Bottle is recyclable and collapses as contents are used, reducing waste
- Use biocides safely. Always read the label and product information before use.
