Sanitized Protection

Features

Style & Coating: This unique glove with 360 micro-foam coating has the look and style of a conventional leather drivers glove but is considerably lighter in weight and more dexterous

Grip: As well as excellent dry grip, the micro-foam coating offers optimum wet grip by channelling liquids away from the glove surface

Comfort: The soft fleecy lining keeps the hands warm and comfortable at all times

Durability: Delivers excellent abrasion protection, durability and a long life expectancy

Fit: Adjustable Velcro wrist strap ensures a secure fit and helps to keep hands free from dust and debris

Sanitized™ glove featuring an antimicrobial treatment that provides added protection against harmful bacteria and fungi. The additive protects the gloves from microbial growth, odours and provides long lasting material protection

Code	DR300
Colour	Gold
Sizes	7-11
