high performance sealed 3/8" locking ratchet with extending and flexible head

Description:

● 2-in-1 ratchet with extending handle. Standard use and easy storage in closed position. Higher torque, less effort and maximum accessibility in the extended position.
● Total length from 247 to 355 mm. 8 setting positions secured by safety catch.
● 180° hinged and secured head to maintain the position even with a socket engaged.
● Very long durability regardless of working conditions. Maintenance-free. Mechanism sealed to industrial dust.
● 72 tooth mechanism for 5° increments.
● Socket safety locking: no sockets lost in your machines.
● Lever reversing: easy even when wearing gloves. Visible rotation direction.
● Palm control system, allowing to press the ratchet head during (un)tightening without risk of accidental reversing of the rotation direction.
● Ultra-compact head.
● Bi-material elastomer grip: high resistance to abrasion and the most severe workshop solvents: SP95, SP98, diesel fuel, acetone, brake fluid, Skydrol, Jet Oil, kerosene.
● Hole in the handle for strapping when working in high places.
● Finish: bright chrome.
