

Guide rail adapter for circular saws

The guide rail adapter for the F-IRON Cut 57 AS helps professional users to achieve optimum results.

Straight, long cuts are possible thanks to the guide rail adapter. |The adapter is compatible with guide rails from Makita, BOSCH, Festool, Mafell, making it highly universal. |The guide rail preserves the workpiece because the saw is not placed directly on it.

Product number: 3 13 52 064 01 0

Suitable for the following tools

F-IRON Cut 57 AS	F-IRON Cut 57 AS Set 2 x	8 Ah
