HDMI Matrix

RS Stock number 783-9818

Short Description	4-2 HDMI matrix switch, manual remote controlled
Full Description	The HD-SMX402 is a compact unit which allows you to connect the output from four High Definition sources and display them up to two HDMI display devices. For example, a set top box, DVD player and game console can be connected to two HDMI equipped displays. You can choose to duplicate outputs or have different sources on each display. The HDMI matrix can be used as a switch, a splitter or a combination of both giving you total flexibility.
