Base/plinth trim panels, vented for base/plinth system VX – VX 8620.090

created: 19.06.2019 on www.rittal.com/com-en

Product description

Description:	For venting the enclosure via the base/plinth. With a 200 mm base/plinth height, one or two vented trim panels may optionally be used. Thanks to the complete symmetry of the base/plinth system VX, the trim panels may either be fitted at the front, rear or side on the base/plinth corner piece.
Benefits:	Specifically in applications such as power distribution where the enclosure gland plates are not used, this can be used to achieve a higher air throughput inside the enclosure
Material:	Sheet steel
Colour:	RAL 9005
Supply includes:	Assembly parts
Note:	Various solutions to raise the roof and special roof plates with vent openings are also available for enclosure venting

Product features

To fit:	Width/depth: 600 mm
Dimensions:	Height: 100 mm
Packs of:	2 pc(s).
Weight/pack:	1.3 kg
