SMART GLOVE AND SLEEVE CLIP

Smart glove and sleeve clip to be used for attaching gloves to the work wear or to keep sleeves in place. Helps you keep track of the gloves easily and avoid dirty gloves in the pocket. The clips can also be used to prevent sleeves from sliding down. Just fasten the sleeve, for example for cut protection, to the clothes using the clip. Made of yellow plastic with good wear resistance.

All values for the specified product are indicated without tolerances and may vary to actual value for individual products. We reserve the right to modify or update the information in this document without prior notice.
