Actuator

Series for Safety switches SLC

Description **ACC-1**	Article number **3911742392**

Mechanical data		
Actuator		Stainless steel (Niro)
Foam		PU
Socket		Stainless steel (Niro)
Minimum actuating radius	R_{min}	600 mm

Technical modifications and errors excepted.
The technical datasheet corresponds to the technical state as of 2019-06-05 and will not be removed in case of changes.
