230.15.2" -1/+2 bar 2nd scale psi ¼” Swivel Female Face Seal, 9/16-18 UNF, gall resistant center back mount

UHP Bourdon Tube Pressure Gauge

Item number:	67276397
Quantity:	1 pcs.
Order code:	230.15-7-BV330P-9F-BZ-Z-ZZZ-ZZ 26 IE41242 DIAL-UAC1ZZZZZZ2Z- 20ZZAEZZZZLZZZZZZZZZZ267BV330PB1
Overview:	230.15.2" -1/+2 bar 2nd scale psi ¼” Swivel Female Face Seal, 9/16-18 UNF, gall resistant center back mount +/- 2/1/2% ASME B40.1 Grade A Pressure Gauge Standard: US-Standard 2nd scale red stop-pin at 6 o'clock *316L Tube and Connection* *GRADE A**WIKA®* *use no oil* (red)
Details:	UHP Bourdon Tube Pressure Gauge UHP Models: 230.15 - Ultra High Purity, 316L Nominal size: 2" Unit of outer Scale: bar Measuring range: vacuum- or compound-range Scale range: -1...+2 bar 2nd Scale or Special Scale: 2nd scale psi Process connection: ¼” Swivel Female Face Seal, 9/16-18 UNF, gall resistant Connector location: center back mount Accuracy class: +/- 2/1/2% ASME B40.1 Grade A Window: polycarbonate Case: stainless steel electropolished Wetted Parts: Stainless steel 316L System Quality: Extrude hone/electropolished Connection surface finish: Electro polished Gland/Socket < RA10/RA20 µinch Cleaning: Cleaned acc. to SEMI specifications, Nitrogen purged and double bagged Pressure Gauge Standard: US-Standard color for 1.scale (outside): black color for 2.scale (inside): red RAL 3020 dial background: White *WIKA®* stop pin on dial: at 6 o'clock *use no oil* (red) *316L Tube and Connection* *GRADE A*
