CPT6200 0 ... 100 bar G 1/2 B

Reference pressure sensor - Model CPT6200

Item number:	7335508
Quantity:	1 pcs.
Order code:	CPT6200-BBO-MGDSZ3Z-ZZ
Overview:	CPT6200 0 ... 100 bar G 1/2 B Reference pressure sensor - Model CPT6200 specific, for hand-held pressure indicators model CPH6200 and CPH6300 Specifications according to data sheet: CT 11.01 Measuring range: 0 ... 100 bar Accuracy: 0.2% of span Process connection: G1/2B Wetted parts: stainless steel Type of certificate: Acceptance test certificate 3.1 in accordance with DIN EN 10204
Details:	Reference pressure sensor - Model CPT6200 specific, for hand-held pressure indicators model CPH6200 and model CPH6300 Model: CPT6200 Specifications according to data sheet: CT 11.01 Case: stainless steel Electrical connection: plug, 7-pin Output signal: specific, for hand-held pressure indicators model CPH6200 and CPH6300 Measuring range: 0 ... 100 bar Accuracy: 0.2% of span Process connection: G 1/2 B Type of certificate: Acceptance test certificate 3.1 in accordance with DIN EN 10204 Wetted parts: stainless steel
