enclosures for electronics

Modulbox Compact - 2M XTS C Version - 35.0214000.BL

- DIN Rail mounting enclosure to suit varying electronic and electrical applications
- The enclosure has two high shoulders offering increased volume for components
- Openings for inputs/outputs can be cost effectively machined to customer specific requirements.
- Top panel is produced as part of the mould (non-removeable)
- Customisation options are available including machining and/or printing to customer specific requirements
