Screw-in thermowell SWT52G (fabricated)

Screw-in thermowell SWT52G (fabricated)

Item number:	3907333	
Quantity:	1 pcs.	
Order code:	SWT52G-R-GD-100-Z	ZR-
Overview:	Screw-in thermowell SWT52G (fabricated) Specifications according to data sheet: TW 90.11 Mat.=Cu-alloy E=G 1/2 B d1=tube 10 x 0,75 mm (Cu.-Alloy) 100 mm	
Details:	Screw-in thermowell SWT52G (fabricated) for thermometers model 52 extra quality series Specifications according to data sheet: TW 90.11 Method of construction: fabricated, to screw in Connection to the thermometer: retainer screw Bore: for thermometers with stem diameter 8 mm Thermowell outer diameter: 10 mm Thermowell material: Cu-alloy Process connection: G 1/2 B Insertion length l1: 100 mm Bore size d1: tube 10 x 0,75 mm (Cu.-Alloy)
