KEWTECH

LIGHTMATE KIT

Lighting circuit adapters

PRODUCT DATA SHEET

- Set of 5 adaptors for BC, ES, SBC, SES & GU10
- Enables fast and secure attachment of 4mm test lead cables for installation testing
- Fits all universal 4mm connectors
- Enables Loop Impedance, and R1 & R2 testing at light fittings
- SES & ES adaptors come with colour coded polarity label
- Comes in pouch

SPECIFICATION

Standards	IEC 61010-1 CATII 300V
Max Voltage	230V AC
Max test current for loop testing	25A 40mS
Insulation test current	1mA @ 1000V continuous

PRODUCT INFO

- 245 x 185 x 45 Boxed (WxDxH mm)
- 0.23kg Weight
- EAN 5060084081611
- Made in China
