RTM 004 B MS

Product no.: T0050100399

Benefits

- Weller patented active tip technology
- 100% Potential-free active tips: Zero potential at the tip, so no damage can occur on the sensitive micro components or the workpiece
- Most precise performance: Enables you to work on small and sensitive components precisely and easily
- Accurate Tip temperature: No temperature fluctuations and therefore no damage of components/workpiece
- Patented tip-and-grip in one single unit: Enables extremely precise working and reduces pressure on the component taking out any risk of component damage.
- Tool-less tip change: The tip can be changed in no time, without using any additional tools, which brings significant time and cost savings
- Short distance from the tip to the handle: Enables easy handling even when working under a microscope
- Patented Boomerag Grip for more Ergonomics: Offers excellent hold and grip, easy movements and conduct of the tool without slipping even after long use
- All of Weller Active Tips have the Weller Part Number and Logo engraved, which makes reordering easy and helps prevent any counterfeit issues - guaranteeing the High Weller Quality

Technical Data

Tip shape	Bevel Cut
Tip type	MS
Width in mm	0.4
Width in inches	0.008
Thickness in mm	---
Thickness in inches	---
Length mm	18.5
Length inches	0.728
Power	40 W
Packaging unit	1
