Drummond Leads and Accessories

Heavy Duty CAT IV Fused Leads

Drummond Heavy Duty CAT IV Fused Leads, 1.2m long and double insulated with a contrasting white inner core to identify damage. The unique 45° plug reduces cable stress, aids grip and improves connection.

MP21-08 – 600V CAT IV fitted with 500mA 600V 50kA fuses
MP30-08 – 1000V CAT IV fitted with 500mA 1000V 50kA fuses
MP21-10BK – Heavy duty black crocodile clip
MP21-10RD – Heavy duty red crocodile clip
