A2G-85 air2guide duct sensor carbon dioxid and temperature

A2G-85 air2guide duct sensor carbon dioxid and temperature

Item number:	42501111	
Quantity:	1 pcs.	
Order code:	A2G-85-Z5-1BAU188-AS-ZZ	2T
Overview:	A2G-85 air2guide duct sensor carbon dioxid and temperature Digital display: without Insertion length: 188 mm Imprint: air2guide standard Certificates: without	
Details:	A2G-85 air2guide duct sensor carbon dioxid and temperature incl. mounting flange Specifications according to data sheet: SP 69.07 Transmitter: with 0...10 V, 2...10 V, 4...20 mA Kind of measurement: CO2 duct sensor carbon dioxid and temperature Transmitter: with 0/2...5/10 Volt (TRV) Unit: °C and relative humidity [% rH] Digital display: without Scale range: 0°C...50°C und 400...2000 ppm CO2 Insertion length: 188 mm Ingress protection: IP20 Imprint: air2guide standard Certificates: without
