18 MM LAMINATED WORK TOP FOR SIDE CABINET

- Robust 18 mm thick laminated MDF construction
- Provides a stable and durable work surface for tasks in professional environments
- Enhances functionality and space efficiency of tool storage units
- Resistant to wear and tear, suitable for demanding work environments
- Grey color that perfectly complements TengTools tool storage units for a unified workspace setup

The TengTools side cabinet work top TC-TB08 is tool storage accessory for professional tool storage units. This work top is crafted from hard-wearing laminated MDF, ensuring a surface suitable for professional use in demanding environments. With an 18 mm thickness, the work top provides a robust and stable surface that withstands the wear and tear associated with heavy tools and components. It has a grey colour and is specifically designed for side cabinets.
