

LEITZ

Leitz AKTO Variable Multi Hole Punch

Premium quality variable multi-hole punch with a 30 sheet capacity for punching up to 6 holes at once. This strong and durable variable hole punch features an easy to use clip system which allows you to adjust the number and position of holes as required. The scale bar on the punch has measurements in cm, inches and settings for common personal organiser and ring binder sizes. Simply add and adjust up to 6 cutters in the format you need, 4 cutters are supplied with the hole punch and further cutters can be purchased separately. The secure guide bar with clear markings up to A2 format ensures smooth and accurate punching. Built to last, this adjustable hole punch is mainly made from aluminium diecast with a small share of recycled post-consumer plastic parts, repairable with spare parts to further extend the life of the hole punch. At the end of its life it is 100% recyclable when completely dismantled in the different material types to reduce waste and helps to preserve the earth's resources. The Leitz AKTO Multi-Hole Punch comes covered by a 10 year guarantee and is GS safety tested. Matching products are available to cover all your heavy duty stapling and punching needs.
