Metal Cable Tie Tool - Metal Zip Tie Tightener Tool - Stainless Steel Cable Tie Installation Gun - Tensioning & Cutting Zip Ties Tool - Tensioner & Cutter for Metal Tie Wrap - TAA

Product ID: CBMMCTTOOL

This portable cable tie installation tool, quickly and easily installs metal cable ties. An ideal accessory for StarTech.com 316SS Stainless Steel Cable Ties - 50 Pack (CBMMCT) sold separately.

Designed with an easy-to-use one-squeeze mechanism, this cable tie gun reduces time and repetitive strain on your hands when installing many cable ties. The metal zip tie tightener adjusts the cable tie tension to perfectly suite your cable bundle, and trims excess metal from the cable tie in one motion.

This versatile cable tensioning and cutting tool works with any length of cable tie wrap, and supports widths from 0.18in (4.6mm) to 0.31in (7.9mm), ensuring it can support a variety of cable ties, depending upon your application.

The cable tie installation tool is an ideal accessory for StarTech.com 316SS Stainless Steel Ties - 50 Pack (CBMMCT) that are nylon 11 coated for abrasion & weather resistance (sold separately).

This metal cable tie installation tool is TAA compliant and backed by a StarTech.com Lifetime warranty and free 24/5 technical support. StarTech.com has been the IT professionals choice for over 30 years.
