datasheet for Koffer-Service Set Elektroinstallation
article number: 932792001

product description:	order number: 932 792-001
description:	Service Case Electro Installation for all tasks of industrial installation, services, utilities management, training and more. - MVL 2/50 - molded measuring lead with stackable 2mm plugs on both sides - KLEPS 2 BU - miniature clamp-type test probes with spring-loaded 2mm connection socket - PRUEF 2600 - safety-test probe, shatter-proof insulated sleeve with slender stainless steel tip - PRUEF 2700 - safety-test probe with dual function - peak for piercing with spring-loaded 4mm connector pin and spring-loaded 4mm connection socket - KLEPS 2800 - safety-clamp-type test probe with wide opens gripping claws and 4mm connection socket - MZS 2 - molded plug adapter from unsprung 2mm plug on unsprung 4mm connection socket - MZS 4 - molded plug adapter from spring-loaded 4mm connector on spring-loaded 2mm connection socket - AK 2 B 2540 I - wide-opening, contact protected alligator clip, for bolt diameter up to 30mm, with connection socket for 4mm plug - MLS WS 25/2,5 - safety-measuring lead, Ø 4mm safety plugs at both ends with onward connection capability - MLS WS 200/2,5 - safety-measuring lead, Ø 4mm safety plugs at both ends with onward connection capability
typ:	PMS SKS Elektroinstallation
system:	Service Case
order number:	932 792-001
scope of delivery
