# 2 Port HDMI Splitter

**RS Stock number [794-7026]**

**Description:**
The HD-SP202 is a compact unit which allows you to connect the output from a single High Definition source to multiple displays. For example, a set top box, DVD player or game console to 2 separate HDMI equipped displays. The HD-SP202 is an HDMI splitter with 2 outputs. It distributes one input into the two identical outputs simultaneously. Each amplifier splitter unit's output can achieve a long distance transmission of HDMI signal of more than 15 metres. When two or more products are cascaded, they can create a larger distribution and longer length.

**Specification:**
- Resolution : up to 1920 x 1200, 1080P
- Distribution: Two identical HDMI outputs
- Cascaded: Large distribution achieved by cascading the HDMI Amplifier Splitter
- HDCP Compliant
- HDMI 1.3b Compatible
- Supports Bandwidth up to 2.25Gbps
- Devices with DVI output are not supported due to the lack of signal control
