DATA SHEET

Product Code: RTL5224921K
Brand : Rutland

Garden Rake 16 Tine, Carbon Steel rake, Aluminium shaft

Product Information :

This high quality garden rake is made of carbon steel with an aluminium handle and a rubber grip. This makes it suitable for use in garden centres, parks, sports areas, industrial gardens, farms and household use. It sports 16 tines for a wider and more efficient raking action.

Features and Benefits
• Carbon steel rake and aluminium shaft for increased strength and durability
• Rubber grip for increased softness and comfort

EAN Code - 5036140468498
